Lights Up The Sky With A  
Large-Scaled Night Show In  
The WIZARDING World of Harry Potter

*The brilliant light of magic will open guest's eyes to an  
unbelievable world of wonder*

April 21, 2017 (Friday) – November 5, 2017 (Sunday)

On April 21, 2017 (Wednesday), just before the Golden week holidays, a large scaled night show, will debut in The WIZARDING World of Harry Potter. Guests will be immersed in J.K. Rowling's WIZARDING World as the students of Hogwarts School of Witchcraft and Wizardry fight off Dementors who descend across the Black Lake for an unforgettable show that'll leave fans surprised and excited. On the same day, guests can experience new Wand Magic in Hogsmeade village.

In 2017, Universal Studios Japan will offer a dazzling array of new attractions and entertainment that push the limits to bring more excitement than ever before for the 15th anniversary of Universal Studios Japan.

**Harry Potter night show will debut!**

The night show in The WIZARDING World of Harry Potter will use magnificent projection mapping to bring the magic and wonder of Harry Potter to life in a way never before seen at Universal Studios Japan. The immersive show, that will leave fans in awe, unfolds above the Black Lake with Hogwarts castle serving as the backdrop and focal point. The incredible technology will brilliantly light up the night sky as Dementors fly ominously along the castle.

The world of magic comes to life as never seen before. This immersive experience will make fans young and old tingle with excitement.

### **Cast spells like the characters in the movie with new Wand Magic locations**

Opening on the same day as the night show, are new Wand Magic locations where guests can experience the joy of casting spells. Following the Magical Wand Map, guests can practice their magic throughout the land from the moment they encounter the Hogwarts Express conductor to when they approach Hogwarts castle. Wand Assistants are on hand to assist new witches and wizards as they try new spells.
